Year 10 shines: Early GCSE Success and Community Spirit!

We are delighted to announce that two of our Year 10 student's took on the challenge of sitting some of their GCSE's early. We are incredibly proud of their commitment to their studies, it is truly commendable.

A group of student's embraced the spirit of community and hard work during their recent strawberry picking trip. It was a wonderful opportunity for them to enjoy the outdoors, learn about local produce and strengthen their teamwork skills.

Breaking Records and Stirring up Fun!

On Track students recently rolled up their sleeves and got messy for a good cause, taking part in Jamie Oliver's Guinness World Record for the largest cookery lesson! Our students joined thousands across the country making pasta simultaneously in the worlds biggest cooking lesson. It was an incredibly fun and engaging event that fostered teamwork, culinary skills and a sense of community. We are proud to announce the official results are in and we did help break the world record!

Nurturing Growth: Fantastic progress in Math's and English!

We are incredibly proud to announce the outstanding progress made by our nurture students. Through their hard work and the dedicated support of our staff, every single Nurture student has progressed at least one whole level in both Math's and English. This remarkable achievement is a testament to their perseverance and the effectiveness of our tailored support programs.
