Autumn

3rd Sept - 22nd Oct

HT: 23rd - 31st Oct

3rd Nov - 18th Dec

Winter

5th Jan- 13th Feb

HT: 16th - 20th Feb

23rd Feb - 27th March

Summer

13th April - 22nd May

HT: 25th - 29th May

1st June - 21st July

Inset 2025/26

1st & 2nd September

2nd December

29th April

22nd July

Important Dates

Progress Meetings

10th & 18th March

Leavers BBQ

20th July 2025

A Note from Jo

I am incredibly proud of all our students and staff for the way they have approached this term. From the hard work and focus shown during exams, to the enthusiasm and teamwork displayed on our recent fun days, our school community has truly shone.

Our students continue to impress me not only with their academic achievements, but also with their kindness, resilience and respect for one another. I am equally grateful to our dedicated staff, whose commitment, care and professionalism ensure that every student is supported to do their very best.

In the New Year we will be introducing Robotics club, Duke of Edinburgh award and continue with ECO activities to renew our Green Fag Award.

We finished our term with a fabulous Christmas Dinner, cooked by our students, which included lots of baking, decorating and eating.

It is a privilege to be part of such a hardworking and compassionate school community. ☺

Our school

Students have continued to engage in a wide range of enriching educational experiences. They recently attended a theatre production of *The Woman in Black*, providing valuable cultural and curriculum-linked learning.

Our Animal Care group visited a local dog groomers and benefited from an informative presentation delivered by the local dog warden. The Outdoor Education group continues to volunteer at the Gloucester Road community allotments as part of their volunteering award, demonstrating commitment and teamwork.

Students have completed woodland and canal walks, developed practical outdoor skills including tent construction, and taken part in campfire cooking activities. In addition, two students are currently attending work placements, gaining valuable real-world experience.

We have also introduced a Wellbeing and Creative Crafts club, which runs on Wednesday afternoons, supporting students' creativity and emotional wellbeing. Alongside these opportunities, students have taken part in a variety of enjoyable activities that have had a positive impact on overall wellbeing.

High-quality classroom learning remains at the heart of our provision, with these experiences enriching and complementing students' academic development.

Well done everyone for your hard work this term and thank you to all our parents/carers for your continued support.

Merry Christmas
