

Our School is a Safe Place for Everyone

At our school, keeping you safe is the most important thing we do. Every adult here cares about you, listens to you, and wants you to feel happy, safe, and ready to learn.

What Keeping You Safe Means

- You are treated with kindness and respect
- You have trusted adults you can talk to
- You can ask for help at any time
- We make sure school is a place where everyone belongs

- Get more help if you need it
- Keep you informed about what will happen next

We won't promise to keep secrets, but we will only share information with people who need to know so they can help keep you safe.
