

Dear Parents and Carers,

Due to the extreme heat and the impact it is having on the safety and wellbeing of students and staff, we have made the decision to close the school site on Wednesday and Thursday (24th June and 25th June) as despite all mitigation measures, it is no longer possible to maintain a comfortable or healthy learning environment - we have already taken the difficult decision to postpone the planned Leaver's BBQ on Friday (new date tbc).

We appreciate that this may cause disruption, and we are grateful for your understanding and support. The wellbeing of our students is always our priority, and this decision has been made with their safety firmly in mind. However, staff will be setting work on Google Classroom / via Seneca and key workers will maintain their daily communication.

We will continue to monitor the weather situation closely and will update you as necessary regarding Friday.

Thank you for your cooperation and support.

Warm regards,

Rachel
