

I sincerely hope that everyone has been able to stay safe and healthy over the last few months, this has been such a difficult and worrying time for everyone, but true to form your wonderful children have kept us busy and at times entertained. Staff have been enlightened by the responses and conversations they have had with students over the phone, online through Google classroom and face to face in gardens. A big thank you to all parents and carers who have supported us with student learning and have been so positive in their chats and feedback.

It has been good to have been able to have students back in school over the last 7 weeks with some attempt at social distancing! But we do look forward to everyone returning five days a week in September.

We will have some staff changes as Holly and Lisa will be leaving and we will have a new member of the tutor team Katrina Robin. Kat will be taking over the teaching of English from Holly and will also be doing PSHE and Art. You will be receiving a copy of the new Relationships and Sex education policy which George and Kat have been working on, please take some time to read it through and if you have any questions please get in contact.

I hope that you can all have a good break and I look forward to resuming a more 'normal' school term in September.
